

EDUCATION

University of Utah, David Eccles School of Business Salt Lake City, UT
Master of Science in Information Systems Dec 2024

- Relevant Courses: Database Theory and Design, Python Programming, Data Engineering

Koneru Lakshmaiah University Guntur, AP, INDIA
Bachelor of Technology in Electrical and Electronics Engineering May 2021

EXPERIENCE

Accenture Hyderabad, TS, India
Junior Web Developer January 2022 – August 2023

- Developed a responsive website UI using HTML, CSS, and JavaScript that reduced overall page load speed by 15%.
- Enhanced the usability of existing applications by applying the latest accessibility standards and best practices.
- Collaborated with project managers to successfully deliver projects on time, resulting in an increase in organizational efficiency.

Wipro Technologies Bengaluru, KA, India
Project Engineer September 2021 – December 2021

- Developed features across multiple subsystems within applications, providing engineering support to other teams.
- Improved data analysis and report generation efficiency by 20% by integrating data from heterogeneous sources using transformations.

TECHNICAL SKILLS

Databases: Microsoft SQL, Excel.

Programming: Java, Python, HTML, CSS, JavaScript

Testing Tools: Selenium, Cucumber, JUnit

Project Management: SDLC, Agile Methodology

Development Tools: Visual Studio Code, GitHub

Cloud Technologies: AWS Cloud, Google Cloud

PROFESSIONAL SKILLS

Critical Thinking, Communication, Microsoft Office 365, Strong verbal and written communication, Teamwork, Leadership, Time Management, Problem Solving, Collaborative, Strategic

PROJECTS

Technical Projects:

- Canvas Data Analysis and Visualization Project: Utilized Python for ETL processes on student engagement data from Canvas LMS API and generated interactive reports via Tableau, enhancing educational strategies.
- Hartford Health Insurance – Led QA testing phase, developing and executing test cases, and implementing automation testing with Selenium and Cucumber, resulting in a 30% shorter testing cycle.

Certifications:

- AWS Cloud Practitioner Certificate course by ACLOUD GURU.
- Meta Front-end Development Certificate by Coursera.
- Responsive Web Design Certificate by FreeCodeCamp.
- Graphic Design Certificate Course by Coursera.
